Correction: A Three-Gene Signature for Outcome in Soft Tissue Sarcoma

In this article (Clin Cancer Res 2009;15:5191–8), which was published in the August 15, 2009 issue of Clinical Cancer Research (1), the name of an author, Andreas-Claudius Hoffmann, was spelled incorrectly. Also, in the abstract, Cox regression analysis was mistakenly referred to as cyclooxygenase regression analysis. The online article has been changed to reflect these corrections and no longer matches the print.
