Institution of Page Charges
Effective January 1, 1997, a page charge of $35 per printed page will be levied on all manuscripts published in *Clinical Cancer Research*. It is understood at the time of submission that the author(s) agree to pay this charge in the event of publication. Under exceptional circumstances, when no other source of grant or other support exists, the author(s) may apply to Dr. Mark A. Foss, Director of Publications, AACR, for a waiver of this page charge. All such applications must be countersigned by an appropriate institutional official stating that no funds are available for the payment of page charges.

Annual Meeting
The AACR’s Annual Meeting is one of the largest and most important annual gatherings of scientists engaged in cancer research worldwide. The next Annual Meeting will take place in San Diego, CA, April 12–16, 1997. The Chairperson of the Annual Meeting is Frederick P. Li of the Dana-Farber Cancer Institute. Clara A. Fryer is Chair of the Scientific Program Committee. The meeting will be held at the Loews Coronado Bay Resort, San Diego, CA. The deadline for abstract submissions is November 12, 1996. All abstracts must be sponsored by an AACR member in good standing.

Gertrude Elion Cancer Research Award
Applications for the AACR’s 1997 Gertrude Elion Cancer Research Award, supported by an educational grant from Glaxo Wellcome Oncology, are due February 14, 1997. The one-year, $30,000 grant is awarded to the most promising scientist in the field of cancer research. The winner is selected by an advisory committee. Information and application forms were mailed to AACR members and to those who requested applications. Nonmembers should request information and applications from the AACR office.

AACR Research Fellowships
This year the AACR will offer at least four one-year, $30,000 research fellowships for clinical or postdoctoral fellows working in the U.S. or Canada. Information and a universal application form will be mailed to all Active and Associate AACR Members in these countries and to others upon request for any of the fellowships. The Research Fellowship in Clinical Research, sponsored by Bristol-Myers Squibb Oncology; the Research Fellowship in Clinical/Translational Research, sponsored by Amgen; the Research Fellowship in Prevention, sponsored by the Cancer Research Foundation of America; and the Research Fellowship in Basic Research, Additional fellowships and sponsors may be announced. To be eligible for these fellowships, candidates must have completed the M.D., Ph.D., or other doctoral degree. Candidates must currently be in postdoctoral or clinical research fellow and must have been a fellow for at least two years but not more than five years prior to the year of the award. The deadline for applications for the research fellowships is Friday, February 14, 1997.

AACR Minority Scholar Awards
Supporting the National Cancer Institute
Funds are being provided through the Comprehensive Minority Biomedical Program of the National Cancer Institute for the travel of a limited number of minority students to the 1997 AACR Annual Meeting. Eligible scientists are full-time predoctoral students, postdoctoral fellows, and physicians-in-training in the early stages of their careers who are either engaged in cancer research or who have training that lead to contributions in this field. This travel award program applies only to minority groups that have been defined by the National Cancer Institute as being traditionally underrepresented in cancer research. These groups are American Indians, African Americans, Hispanics, Native Alaskans, and Native Pacific Islanders. Only citizens of the United States and Canada or scientists who are permanent residents in those countries may receive one of these awards.

Although preference will be shown to authors of abstracts that have been accepted for presentation at the annual meetings, this is not a requirement for the award. Preference will also be given to new applicants. Awardees will be selected on the basis of their qualifications, references from mentors, and an estimation of the potential professional benefit to the Awardees. An advisory committee consisting of members of the AACR will review submitted applications and letters of reference. The award will consist of partial support of registration, travel, and subsistence expenses incurred in connection with attendance at the annual meeting. Applicants will be chosen from minority institutions as well as the larger bodies of universities, colleges, and research institutes. Travel grants are awarded to the applicant’s institution to permit a minimum of 3 days of attendance at the annual meeting. If accepted, applicants will be expected to participate in all planned activities for the Awardees. They are required to submit a report commenting on the sessions that they attended at the annual meetings and the minority scholar program.

Further information and application forms are available from the AACR office. Letters of reference should accompany the application. The deadline for receipt of applications is December 2, 1996. Grants from this program are also available for attendance at AACR Special Conferences taking place in North America. Information and application forms are available from the AACR office.

AACR Special Conferences in Cancer Research
A number of meetings are now being organized by the AACR’s series of smaller scientific meetings. Following are the topics, dates, locations, and program committees for some of these meetings. When full details of each meeting are available, AACR members will be the first to receive complete brochures and application forms for participation in these important conferences. Nonmembers may receive this information by sending their names and addresses to Meetings Mailing List, American Association for Cancer Research, Public Ledger Building, 150 South Independence Mall West, Suite 816, Philadelphia, PA 19106-3483. Telephone: (215) 440-9300. FAX: (215) 440-9313. E-Mail: aacr@acru.com. Up-to-date program information is available via the Internet from the AACR’s Website (http://www.aacr.org/confmc.html).

January 10–14, 1997
Basic and Clinical Aspects of Lymphoma
Joint Meeting with the American Society of Clinical Oncology
Chairpersons:

Cancer of the Central Nervous System
Conference with Neurosurgeons Joint Section on Tumors
Chairpersons:
PETER M. BLACK, Boston, MA
PETER K. CAVENECE, La Jolla, CA
Loews Coronado Bay Resort, San Diego, CA

AACR Bulletin Board
The American Association for Cancer Research (AACR) was founded in 1907 to bring together active investigators of the cancer problem for the presentation and discussion of new findings and to foster advances in cancer research. Today the Association has more than 11,000 members working in all of the subspecialties of cancer research in the United States, Canada, and more than 50 other countries. Information on AACR programs and activities can be found at: http://www.aacr.org/meeting.

Announcement from the American Association for Cancer Research

New Review Process Instituted for *Clinical Cancer Research* Manuscripts

Effective August 1, 1996, the Editorial Office of John Mendelsohn, M.D., Editor-in-Chief of *Clinical Cancer Research*, has been relocated to:

Department of Educational Publishing Services - 227  
The University of Texas M. D. Anderson Cancer Center  
1515 Holcombe Boulevard  
Houston, Texas 77030  
Telephone: (713) 792-6014  
Fax: (713) 792-6016

In conjunction with this relocation, a new review system has been instituted for manuscripts submitted to the journal. Effective September 1, authors are asked to submit papers directly to one of six newly appointed Senior Editors, listed below, each of whom is responsible for a particular area of research. Senior Editors will conduct the review process with the expert assistance of the journal’s Associate Editors, will correspond with authors about their manuscripts, and will make editorial decisions regarding publication. Papers within the subject areas covered by the Editor-in-Chief, as well as manuscripts that do not pertain to any of the research areas listed, should be submitted to Dr. Mendelsohn. Complete mailing addresses and telephone and fax numbers for the Editor-in-Chief and Senior Editors can be found in the “Instructions for Authors” at the end of each issue of the journal.

**Editor-in-Chief**  
John Mendelsohn, M.D.  
The University of Texas M. D. Anderson Cancer Center  
Houston, TX  
*Cell proliferation and death—preclinical, and clinical trials; radiation therapy, surgery, and subspecialty investigation*

**Senior Editors**  
Waun Ki Hong, M.D.  
The University of Texas M. D. Anderson Cancer Center  
Houston, TX  
*Clinical trials targeted at specific malignancies, chemoprevention*

Lance A. Liotta, M.D., Ph.D.  
National Cancer Institute  
Bethesda, MD  
*Pathology, metastasis*

David Sidransky, M.D.  
Johns Hopkins University  
Baltimore, MD  
*Molecular pathogenesis, molecular correlates*

Paul Sondel, M.D., Ph.D.  
University of Wisconsin Clinical Science Center  
Madison, WI  
*Immunotherapy and cytokines—preclinical, and clinical trials*

David R. Spriggs, M.D.  
Memorial Sloan-Kettering Cancer Center  
New York, NY  
*Preclinical pharmacology, pharmacological clinical trials*

Jeffrey M. Trent, Ph.D.  
National Institutes of Health  
Bethesda, MD  
*Genetics, cytogenetics*
Instructions for Authors

Scope
Clinical Cancer Research, a journal of the American Association for Cancer Research, publishes original articles describing clinical research on the cellular and molecular characterization, prevention, diagnosis, and therapy of human cancer. Its focus is on innovative clinical research and translational research which bridges the laboratory and the clinic. Clinical Cancer Research is especially interested in clinical trials evaluating new treatments for cancer; research on molecular abnormalities that predict incidence, response to therapy, and outcome; and laboratory studies of new drugs and biological agents that will lead to clinical trials in patients.

Specific areas of interest include clinical and translational research in: molecular pharmacology and chemotherapy; drug sensitivity and resistance; tumor immunology and immunotherapy; radiobiology and radiation oncology; solid tumor oncology; hematological malignancies; surgical oncology; pediatric oncology; molecular oncology and cancer genes; pathology, markers, and prognostic indicators; growth factors, cytokines, and signal transduction; bone marrow transplantation; gene therapy; cancer endocrinology; cell adhesion, invasion, and metastasis; prevention of primary and recurrent cancer; differentiation and cell death; clinical genetics; and detection of minimal disease.

Editorial Policy
When a manuscript is received for consideration, the Editors assume that no similar paper has been or will be submitted for publication elsewhere. Further, it is understood that all authors listed on a manuscript have agreed to its submission. The signature of the corresponding author on the letter of submission signifies that these conditions have been fulfilled.

Journal policy requires that authors, reviewers, Associate Editors, and Senior Editors reveal in a letter to the Editor-in-Chief any relationships that they have that could be construed as causing a conflict of interest with regard to a manuscript under review. The letter should include a statement of any financial relationships with commercial companies involved with a product under study.

Upon acceptance, authors must transfer copyright to the American Association for Cancer Research, Inc., the copyright owner of the journal, prior to publication. Once an article is accepted for publication in Clinical Cancer Research, the information therein is embargoed from reporting by the media until the mail date of the issue in which the article appears.

The Editors endorse the principles embodied in the Declaration of Helsinki and expect that all investigations involving humans will have been performed in accordance with these principles. To obtain a copy of the Helsinki Declaration, please contact the World Medical Association, 28, Ave. des Alpes, F-01210, Ferney-Voltaire, France. For animal experimentation reported in the journal, it is expected that investigators will have observed the Interdisciplinary Principles and Guidelines for the Use of Animals in Research, Testing, and Education issued by the New York Academy of Sciences’ Ad Hoc Committee on Animal Research, a copy of which is available for $5.00 from the Marketing Department, New York Academy of Sciences, 2 East 63rd Street, New York, NY 10021-7289. All human and animal studies must have been approved by the investigator’s Institutional Review Board.

Review Process
The review process, expedited by fax transmission and overnight mail service, is conducted as rapidly as possible. Each submitted manuscript is reviewed by at least two experts in the field of investigation. If the authors are invited to submit a revised manuscript for an expedited further review, the revised version must be submitted within three months.

Manuscript Submission
Submit papers directly to one of the six Senior Editors, each of whom is responsible for a particular area of research. Senior Editors will conduct the review process with the expert assistance of the journal’s Associate Editors, who will correspond with authors about their manuscripts, and will make editorial decisions regarding publication. Papers within the subject areas covered by the Editor-in-Chief, as well as manuscripts that do not pertain to any of the research areas listed, should be submitted to Dr. Mendelsohn. Research areas, mailing addresses, and telephone and fax numbers for the Editor-in-Chief and Senior Editors can be found at the end of these instructions.

Submit four original sets (not photocopies) of figures along with four copies of the manuscript. If a manuscript is closely related to papers that are in press or have been submitted elsewhere, please provide copies of those papers with your submission. For both original and revised submissions, we cannot guarantee that manuscripts and illustrations will be returned to the author.

The letter of submission can suggest the Associate Editors who might serve as reviewers of the manuscript. In addition, we invite authors to provide the names, addresses, and telephone/fax numbers of other potential reviewers who are not current or recent collaborators or advisors in the area under investigation.

Advances in Brief will be reserved for concise, definitive reports of novel observations and discoveries that have unusual importance. A request for consideration for Advances in Brief should be included in the letter of submission. A Minireview is a brief analysis (typically 3-4 printed pages) of a focused, timely research topic, aimed at a multidisciplinary audience. Minireviews and Controversies in Clinical Cancer Research that are submitted or solicited will undergo editorial review. The Editors welcome Letters to the Editor, which will be published if they are determined to be appropriate.

Format
Manuscripts must be written succinctly in clear, grammatical English. Define abbreviations in an inclusive footnote to the text. Double-space on 8 1/2 x 11-inch paper. Dot-matrix printing is not acceptable. The format is as follows:

1. Title page, including title, authors and their institutions, research support, and address plus telephone/fax numbers of the corresponding author;
2. A running title of fewer than 50 characters;
3. Three to five key words that do not appear in the title;
4. Abstract, of not more than 250 words, stating briefly the objectives, methods, results, and conclusions of the study;
5. Text arranged in this order: Introduction, Methods, Results, Discussion, Acknowledgments, References;
6. Footnotes, on a separate page from the text. Designate footnotes consecutively with superscript Arabic numerals;
7. Tables, on separate pages from the text, with descriptive titles and legends that make the data understandable without reference to the text;
8. Figure legends, on separate pages from the text, with descriptive titles and explanations to make the data understandable without reference to the text. Define all symbols and include staining for halftones where applicable;

References
Include only those articles that have been published or are in press. Unpublished data or personal communications must be cited as footnotes to the text. Personal communications should be substantiated by a letter of permission. Number references in the order of their first mention in the text. Cite only the number assigned to the reference. References must be double-spaced.

SAMPLE REFERENCES:

**Figures**

Provide four original sets of figures (whether line-cut drawings or halftones). Each sorted set should be in a separate labeled envelope, for distribution to reviewers. A typed label placed on the reverse side of each figure should contain the first author's name, figure number, and an arrow indicating top of figure. Letters and numbers on figures should not be smaller than 6-point or larger than 12-point type. All figures will be published at a width of approximately 3 inches (8 cm) unless the author requests a greater width. Use tissue overlays to indicate important areas of the photographs that must be reproduced with greater fidelity.

Authors are encouraged to submit color figures. The expense of reproducing color photographs must be offset partially by the author. In 1996, the cost of color reproduction charged to authors will be $975 per color figure. Submit color figures on flexible backing.

**Proofs**

Page proofs must be returned to the office of the American Association for Cancer Research within 24 hours of receipt. Return proofs by overnight mail. **Proofs not received by the deadline will be published without the authors' corrections.** Accepted manuscripts are regarded as final copy and should not be altered substantially in proof. Extensive alterations could cause publication delays, and authors will be charged for excessive alterations in proof.

**Typesetting Manuscripts from Computer Disks**

*Clinical Cancer Research* welcomes disks to expedite production of accepted manuscripts. If your article is accepted for publication, you will receive instructions regarding disk submission. It is the author's responsibility to ensure that the material on the disk matches the final accepted version of the manuscript.

AMERICAN ASSOCIATION FOR CANCER RESEARCH

1997 EMPLOYMENT REGISTER FORMS AND INSTRUCTIONS

INTRODUCTION

The AACR’s Employment Register is intended to attract young scientists to the Association, increase interest in AACR programs, and provide a valuable service to all cancer researchers, both senior and junior investigators.

Since 1988, AACR Staff has scheduled interviews at the annual meeting, and brief advertisements describing available candidates and positions have been published in the Proceedings of the American Association for Cancer Research and in three issues of Cancer Research. These services will be continued in 1997. Registration forms for the 1997 Employment Register can be found on the following pages. Fees have been set at the following levels:

Each candidate registration
- by an AACR member $10
- by a nonmember $25

Each position listing
- by an AACR member from a nonprofit or governmental organization $75
- by a nonmember from a nonprofit or governmental organization $125
- by a commercial organization $275
($225 for companies participating in the 1997 AACR Exhibit Show)

INSTRUCTIONS FOR CANDIDATES

1. Supply all information requested on the attached candidate registration form.
2. Type a short description of your background and the position you are seeking in the 5” X 1½” box provided. Do not include your name; the AACR will assign identification numbers to all candidate listings. Please type carefully; this description will be reproduced as described in the section below entitled PUBLICATION OF LISTINGS.
3. Enclose the original form plus 1 copy.
4. Enclose appropriate payment:
   a. $10 from AACR members
   b. $25 from nonmembers
5. Checks should be issued in U.S. dollars, drawn on a U.S. bank, and made payable to AACR, Inc.
6. Forms should be submitted by December 13, 1996, to ensure publication of listings in the Proceedings. However, candidate registration forms will continue to be accepted in the Association Office until March 14, 1997. After that date forms should be submitted at the annual meeting.
7. Mail all candidate registration forms to:

   Employment Register
   American Association for Cancer Research, Inc.
   Public Ledger Building, Suite 816
   150 S. Independence Mall West
   Philadelphia, PA 19106-3483

INSTRUCTIONS FOR EMPLOYERS

1. Complete a separate position listing form for each position available and supply all information requested.
2. Type a short description of the position available in the 5” X 1½” box provided. Please type carefully; this description will be reproduced as described in the section below entitled PUBLICATION OF LISTINGS.
3. Enclose the original form plus 1 copy.
4. Enclose appropriate payment for each position listed:
   a. $75 from AACR members in nonprofit or governmental organizations,
   b. $125 from nonmembers in nonprofit or governmental organizations,
   c. $275 from commercial firms ($225 from firms participating in the 1997 AACR Exhibit Show).
5. Checks should be issued in U.S. dollars, drawn on a U.S. bank, and made payable to AACR, Inc.
6. Forms should be submitted by December 13, 1996, to ensure publication of listings in the Proceedings. However, position listing forms will continue to be accepted in the Association Office until March 14, 1997. After that date forms should be submitted at the annual meeting.
7. Mail all position listing forms to:

   Employment Register
   American Association for Cancer Research, Inc.
   Public Ledger Building, Suite 816
   150 S. Independence Mall West
   Philadelphia, PA 19106-3483

SCHEDULING OF INTERVIEWS

The AACR will set aside space at the annual meeting for interviews which will be scheduled at mutually agreeable times during the following hours: Saturday, April 12, from 1:00-7:00 p.m.; Sunday, Monday, and Tuesday, April 13-15, from 8:00 a.m. to 5:00 p.m.; and Wednesday, April 16, from 9:00 a.m. to 1:00 p.m. Each candidate and employer will receive an identification number. Registrants who submit their forms and fees by March 14, 1997, will receive an acknowledgment card which contains their identification number.

PUBLICATION OF LISTINGS

Short advertisements describing each candidate and position listing will be published in Volume 38 (1997) of the Proceedings of the American Association for Cancer Research and in the July 1, September 1, and November 1, 1997, issues of Cancer Research. The attached forms contain space for copy for these advertisements. Please type carefully to ensure accurate reproduction of your advertisement. Your copy must not exceed the limits of the box because space for these advertisements is limited. Advertisements for available positions should contain the name and address of the person conducting the job search, and candidates will be able to communicate with that person directly. Candidate advertisements will be anonymous. The AACR will send the candidate’s complete form via first-class mail to any registered employer who requests it. The employer must bear the cost of receiving candidate forms in any manner other than first-class mail.

As noted above, because of the early publication date of the Proceedings, forms must be received by December 13, 1996, to ensure publication in that document. However, all advertisements submitted before or during the meeting will be published in the three issues of Cancer Research. Registrants wishing to withdraw their advertisements must submit written requests to that effect to the Association Office by May 15, 1997, for the July 1 issue; July 15, 1997, for the September 1 issue; and September 15, 1997, for the November 1 issue. All participants in the Employment Register are urged to notify the Association immediately of any change in their status so that all listings will remain current.

FURTHER INFORMATION

Questions about the Employment Register may be directed to the Association Office at 215-440-9300.

GUIDELINES FOR APPLICATION FOR ACTIVE AND CORRESPONDING MEMBERSHIP

BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AACR), a scientific society of over 11,000 laboratory and clinical cancer researchers, was founded in 1907 to facilitate communication and dissemination of knowledge among scientists and others dedicated to the cancer problem; to foster research in cancer and related biomedical sciences; to encourage the presentation and discussion of new and important observations in the field; to foster public education, science education, and training; and to advance the understanding of cancer etiology, prevention, diagnosis, and treatment throughout the world.

Members of the AACR enjoy the following benefits:
1. the privilege of sponsoring a proffered paper (abstract) for consideration for presentation at the AACR annual meeting;
2. an advance copy of the Program and Proceedings of the American Association for Cancer Research that contains over 4,000 abstracts of proffered papers presented at the annual meeting;
3. reduced registration rates at annual meetings;
4. priority notice of small, focussed meetings in the AACR’s exciting series of Special Conferences in Cancer Research;
5. substantially reduced registration rates for Special Conferences;
6. opportunities for participation in AACR meetings in North America and abroad with other scientific societies around the world;
7. receipt of AACR Newsletters and other important announcements;
8. early notification of and reduced rates for participation in the AACR Employment Register;
9. an up-to-date Membership Directory of over 11,000 member researchers in the cancer field;
10. the professional benefits of the AACR’s public education activities concerning funding for cancer research and press coverage of the latest research findings;
11. the opportunity to participate in three Summer Workshops that foster knowledge in the cancer field for young investigators;
12. the facilitation of informal scientific exchange with leading researchers in the cancer field; and
13. many more ongoing benefits.

QUALIFICATIONS FOR MEMBERSHIP

Active membership in the AACR is open to investigators who live in the Americas. Individuals who have conducted two years of research resulting in peer-reviewed publications relevant to cancer, or who have made substantial contributions to cancer research in an administrative or educational capacity, are eligible. If a candidate has conducted research in an area of biomedical science related to cancer, he or she will qualify for membership. Evidence of patents relevant to cancer research may be submitted as qualifications for membership in lieu of peer-reviewed publications.

Corresponding membership is open to persons who are not residents of the Americas. The qualifications for corresponding membership are the same as those indicated above for active membership. Visiting scientists from outside the Americas who intend to return to their countries of origin by the anticipated time of election should apply for corresponding membership. All other visiting scientists should apply for active membership and transfer to corresponding status upon leaving the Americas.

Graduate and medical students, postdoctoral fellows, and physicians in training who do not yet meet the above qualifications for active or corresponding membership should apply for associate membership. Forms for associate membership are available from the AACR Office.

PROCEDURES FOR APPLICATION

There are three deadlines for the receipt of a membership application: January 1, May 1, and September 1 of each year. The Membership Committee will review all complete applications for active membership that have been received by these deadlines and will submit recommendations on each candidate to the Board of Directors which formally elects all members. The same procedure is followed by the Special Memberships Committee which receives applications for corresponding membership. Candidates will be notified according to the following schedule:

<table>
<thead>
<tr>
<th>Receipt of Application in AACR Office</th>
<th>Notification of Candidate</th>
</tr>
</thead>
<tbody>
<tr>
<td>January 1</td>
<td>March</td>
</tr>
<tr>
<td>May 1</td>
<td>July</td>
</tr>
<tr>
<td>September 1</td>
<td>November</td>
</tr>
</tbody>
</table>

A complete application consists of the following material:
1. 6 copies of the form on the opposite side of this page, with all requested information provided.
2. 5 copies of the candidate’s most current curriculum vitae and bibliography.
3. 5 copies of a letter of recommendation from a nominator who is an active, corresponding, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter). This letter should describe the candidate’s achievements in laboratory research, clinical investigations, or epidemiological research, and it should affirm that this research adheres to accepted ethical scientific standards. –OR– The nominator may supply the responses requested at the bottom of the application form in the section entitled “STATEMENT OF SUPPORT” (at least one copy of the form must be the signed original).
4. 5 copies of a letter of recommendation as described in Item 3 above from a seconder who is an active, corresponding, emeritus, or honorary member of the AACR (at least one copy must be a signed, original letter). –OR– The seconder may supply the responses requested at the bottom of the application form in the section entitled “STATEMENT OF SUPPORT” (at least one copy of the form must be the signed original).
5. 5 reprints of each of two publications on which the candidate appears as author. As noted above, evidence of patents developed by the candidate may be submitted in lieu of one or both of the publications. If submitting patents, supply patent number and year awarded.

All material should be collated into five complete sets with the original application form as a covering document and sent to the address given below. Questions regarding procedures for membership application may also be directed to the following address:

American Association for Cancer Research
Public Ledger Building, Suite 816
150 S. Independence Mall West
Philadelphia, PA 19106-3483
Phone: 215/440-9300
FAX: 215/440-9313
E-mail: aacr@aol.com

RESPONSIBILITIES OF MEMBERSHIP

Candidates should be aware of the following responsibilities of membership in the AACR. Active members must pay annual dues. In 1996 annual dues for active members are $160, $95 of which is designated for AACR journal subscriptions. Newly elected members of the AACR who have already purchased subscriptions to Cancer Research, Clinical Cancer Research, Cell Growth & Differentiation, or Cancer Epidemiology, Biomarkers & Prevention at the higher, nonmember rates will receive reimbursement of the unused portion of those subscriptions once their first year’s membership dues are paid in full.

Corresponding members are required to pay dues ($80 in 1996) and may, if they wish, subscribe to Cancer Research, Clinical Cancer Research, Cell Growth & Differentiation, or Cancer Epidemiology, Biomarkers & Prevention at reduced member rates.

Applicants elected in March will be responsible for payment of that year’s dues; applicants elected in July and November will pay dues for the following year. Applicants elected in March and July will be eligible to sponsor an abstract for the next annual meeting. Every effort will be made to afford the same opportunity to applicants elected in November.

Margaret Foti, Ph.D.
Executive Director
APPLICATION FOR ACTIVE OR CORRESPONDING MEMBERSHIP

NAME OF CANDIDATE: ___________________________ DATE OF BIRTH: __________

CANDIDATE IS APPLYING FOR (Check one): ☐ ACTIVE  ☐ CORRESPONDING MEMBERSHIP

STATEMENT OF SUPPORT

Instead of submitting letters of recommendation, either the nominator or the seconder or both may complete the following section:

How long has the candidate worked in the field of cancer research? ______ years

Will the candidate make a long-term contribution to cancer research? _____ Yes _____ No

Does the candidate’s research adhere to accepted ethical standards? _____ Yes _____ No

I therefore recommend this candidate for membership in the American Association for Cancer Research.

____________________________________________________________________

Signature of nominator* ___________________________ Date ___________________________

Signature of seconder* ___________________________ Date ___________________________

See Guidelines for Application on the reverse side of this form for further instructions.

*Both nominator and seconder must be active, corresponding, emeritus, or honorary members of the AACR.
QUALIFICATIONS FOR MEMBERSHIP

Associate membership is open to graduate students, medical students, postdoctoral fellows, and physicians in training who are following a course of study or who are working in a research program relevant to cancer. Scientists in training who already have a substantial record of publications may wish to apply for active or corresponding membership which confers full benefits of membership.

BENEFITS OF MEMBERSHIP

The American Association for Cancer Research (AACR), a scientific society consisting of laboratory and clinical cancer researchers, was founded in 1907 to facilitate communication and dissemination of knowledge among scientists and others dedicated to the cancer problem; to foster research in cancer and related biomedical sciences; to encourage presentation and discussion of new and important observations in the field; to foster public education, science education, and training; and to advance the understanding of cancer etiology, prevention, diagnosis, and treatment throughout the world. Associate members of the AACR enjoy the following benefits:

1. the privilege of sponsoring a proffered paper (abstract) for consideration for presentation at the AACR annual meeting provided that (a) the associate member is the presenter of the paper and (b) an active, corresponding, emeritus, or honorary member in good standing of the AACR also signs the abstract of the paper in support of the work. (In this instance, the member who cosigns the abstract does not lose his or her own sponsorship privilege);
2. an advance copy of the scientific Program and (if one has been purchased by the associate member) the Proceedings of the American Association for Cancer Research that contains over 4,000 abstracts of proffered papers presented at the annual meeting;
3. the privilege of registering for the annual meeting at the low associate member rate;
4. preferred access to the AACR Employment Register;
5. optional subscriptions to the Association’s high-quality journals Cancer Research, Clinical Cancer Research, Cell Growth & Differentiation, and Cancer Epidemiology, Biomarkers & Prevention at reduced member rates;
6. priority notification of events in the AACR’s series of special conferences on timely subjects in the field;
7. substantially reduced registration rates at special conferences;
8. the receipt of AACR newsletters, meeting announcements, and an up-to-date Membership Directory;
9. the opportunity to participate in three Summer Workshops that foster knowledge in the cancer field for young investigators; and
10. the facilitation of informal scientific exchange with leading researchers in the cancer field.

PROCEDURES FOR APPLICATION

Persons wishing to apply for associate membership must use the official application form on the reverse side of these instructions. Each candidate for associate membership must be nominated by an active, corresponding, emeritus, or honorary member in good standing of the AACR. Three completed copies of the form should be submitted; at least one of these copies must carry the original signatures of both the candidate and the nominator. The application form may be submitted to the Association Office at any time.

After review of applications for associate membership, the Executive Director will notify candidates of their election or deferral within one month of the receipt of the application form. A check for one year’s dues payment must accompany the application. Dues are currently $35 for associate members residing in the Americas and $45 for residents of other countries. This fee will be refunded to any candidate deemed to be ineligible for associate membership. Checks should be in U.S. currency, made payable to AACR, Inc., and drawn on a U.S. bank. Send the three copies of the application form and the $35 or $45 dues payment to:

American Association for Cancer Research
Public Ledger Building, Suite 816
150 S. Independence Mall West
Philadelphia, PA 19106-3483
Phone: 215/440-9300
FAX: 215/440-9313
E-mail: aacr@aol.com

RESPONSIBILITIES OF MEMBERSHIP

Associate members must pay annual dues in an amount to be determined by the AACR Board of Directors. Dues for 1995 and 1996 have been set at $35 per year for residents of the Americas and $45 for residents of other countries. If an application is submitted by August 31, the accompanying dues payment will be credited to the current year. Candidates submitting applications between September 1 and December 31 may indicate whether they wish their dues payments credited to the current or forthcoming year. Candidates should be aware, however, that associate members may sponsor an abstract for the annual meeting only if their dues for the current year are paid. For example, an associate member submitting an abstract in November 1995 for the forthcoming annual meeting must have paid dues for 1995. Any newly elected associate members of the AACR who have already purchased subscriptions to Cancer Research, Clinical Cancer Research, Cell Growth & Differentiation, or Cancer Epidemiology, Biomarkers & Prevention at the higher, nonmember rate will receive a refund for the unused portion of that subscription upon receipt of their payment for a member’s subscription.

Each Fall the AACR will send to current associate members an invoice for dues for the forthcoming year. Payment of this invoice must be accompanied by a statement signed by the associate member’s current registrar, dean, or department head, verifying the member’s current academic status. The Association’s By-Laws state that dues are payable for each year in advance by January 1 of the year to which they should be applied. An individual may be an associate member for a maximum of five years. Each year in which an individual pays dues will count as one full year of associate membership. Thus, an associate member who pays dues for 1995 may retain associate membership until December 31, 1999. The Board of Directors may terminate the membership of an associate member whose dues are in arrears for two years.

Margaret Foti, Ph.D.
Executive Director

Signatures:  
I hereby apply for associate membership in the American Association for Cancer Research. I have read the instructions on the reverse side of this form, and I understand the privileges and responsibilities of this class of membership. I certify that the statements on this application are true.

Signature of Candidate: ____________________________ Date: ____________

I recommend this candidate for associate membership in the American Association for Cancer Research. To the best of my knowledge, the candidate is qualified for this class of membership, and the statements on this application are true.

Signature of Nominator*: ____________________________ Date: ____________

Submit three copies of this form. At least one copy must contain the original signatures of the candidate and the nominator. Enclose a check in U.S. funds, made payable to AACR, Inc., and drawn on a U.S. bank for one year’s dues. Dues are currently $35 for associate members residing in the Americas and $45 for residents of other countries.

Check one of the following boxes only if this form is being submitted between September 1 and December 31:  
The enclosed dues payment should be applied to the □ current □ forthcoming calendar year.

(Note: If dues are applied to the forthcoming year, membership will take effect on January 1, but the candidate will not be eligible to sponsor an abstract for presentation at the annual meeting in March on April of that year.) See Guidelines for Application on the reverse side of this form for further instructions.

*Nominator must be active, corresponding, emeritus, or honorary member of the AACR.

(This form may be reproduced.)
AMERICAN ASSOCIATION FOR CANCER RESEARCH

The American Association for Cancer Research (AACR) is a professional society of over 11,000 scientists and physicians involved in all aspects of basic, clinical, and translational cancer research. Members of the AACR enjoy:

- subscriptions to Cancer Research, Cell Growth & Differentiation (CG&D), Cancer Epidemiology, Biomarkers & Prevention, and Clinical Cancer Research at reduced member rates
- reduced registration rates at the AACR Annual Meeting, Special Conferences, and International Meetings
- Employment Register, Directory of Members, public education activities, and many other benefits

Special programs to provide enhanced career development opportunities for minority scientists include:

- Session on Career Development at Annual Meeting
- Mentorship Program
- Travel Awards to Scientific Meetings

☐ An check this box if you have a physical disability and have special requirements for transportation, hotel accommodations, or other facilities in connection with the meeting. A member of the Association Staff will contact you.

WHAT IS YOUR PRIMARY FIELD OF RESEARCH? (Please check only one):
☐ Biochemistry/Biophysics ☐ Carcinogenesis ☐ Cellular Biology and Genetics ☐ Clinical Investigations
☐ Endocrinology/Signal Transduction ☐ Epidemiology ☐ Experimental Therapeutics ☐ Immunology ☐ Molecular Biology and Genetics
☐ Prevention ☐ Radiobiology/Radiation Oncology ☐ Virology ☐ Other (please specify):

ARE YOU THE PRESENTER OF AN ABSTRACT SUBMITTED FOR THE 1997 AACR MEETING? ☐ Yes ☐ No

ON WHICH DAYS WILL YOU ATTEND THE 1997 AACR ANNUAL MEETING (Check all that apply)?
☐ Saturday, April 12 ☐ Sunday, April 13 ☐ Monday, April 14 ☐ Tuesday, April 15 ☐ Wednesday, April 16

☐ Check this box if you are a high school or undergraduate student. This information will be used for the organization of a special educational event during the annual meeting for students interested in pursuing careers in science. The program, to be organized by the AACR Science Education Committee, will include presentations as well as a panel discussion by cancer experts. Further information will be sent to you under separate cover.

PAYMENT OF REGISTRATION

Fees may be paid by check or with a VISA, MasterCard, or American Express account. All payments must be made in U.S. currency, and all checks must be drawn on a U.S. bank. Payment must accompany this form; purchase orders will not be accepted as payment.

☐ Active/Corresponding Member Rate $155 $195 ☐ Check payable to AACR, Inc. in U.S. currency, drawn on a U.S. bank
☐ Nonmember Rate $305 $365
  (includes copy of AACR Proceedings)
☐ Emeritus Member Rate $50 $50
☐ Associate Member/Predoctoral Student Rate* $80 $90
☐ Honorary Member Rate $0 $0
☐ AACR *Proceedings* $35 Members $35 Members
  $45 Nonmembers $45 Nonmembers
☐ Optional Overseas Surcharge* $25 N.A.
  Proceedings on CD-ROM $35 Members $35 Members
  $45 Nonmembers $45 Nonmembers
☐ Methods Workshop Registration $50 $75

TOTALENCLOSEDORCHARGED $ $

☐ An application for Associate Membership may accompany this form, but these should be submitted well before the February 14, 1997 deadline, as review of the Associate Membership application may delay registration. Students must enclose a statement, signed by the registrar, dean, or department head of their university or college on official letterhead, confirming their status. Postdoctoral fellows or physicians in training do not qualify for the student registration rate.

*AACR members with paid-up subscriptions to an AACR journal and registrants who pay the nonmember fee receive the Proceedings automatically. If these members or nonmembers check this box and pay the fee, they will receive an additional copy of the Proceedings.

*Optional payment for registrants outside of the U.S. and Canada only. Registrants paying this surcharge will receive meeting publications via airmail—printed matter before the annual meeting. This service will not be available after February 14, 1997.

AACR members in good standing will receive copies of the Program and Proceedings prior to the meeting. Nonmember and student registrants who meet the February 14 deadline will also receive the Program and (if they have purchased it) the Proceedings prior to the meeting. Nonmembers and students who do not meet the deadline must pick up publications at the meeting site.

REFUND POLICY

Refunds on registration fees will be granted on written request received in the AACR Office by April 9, 1997. Requests received after this date will not be honored. Receipts and badges (if they have been mailed) must be returned to the AACR Office with the refund request. A cancellation fee of $35 will be deducted from all refunds to cover administrative costs.
HOTEL RESERVATIONS

88TH ANNUAL MEETING
APRIL 12-16, 1997
San Diego, California

American Association for Cancer Research

CALL FOR RESERVATIONS EARLY!
DEADLINE - MARCH 14, 1997

General Information
Please read this page before calling the San Diego Housing Service.

Deposits
- A $125.00 deposit is required for each room requested. The deposit is payable by credit card or check. Your credit card will be charged immediately. All major credit cards will be accepted.
- After February 28, 1997, only credit card deposits will be accepted. The San Diego Housing Service will not be able to accept checks during that time period.
- Confirmations will be mailed once your reservation has been secured with a deposit. You will not receive a confirmation from the hotel. Instructions for cancellation and refunds, if necessary, are given below.

Changes
- Prior to March 14, 1997, all changes should be made with San Diego Housing Service. After March 14, changes should be made with the hotel.

Cancellations/Refunds
- Cancellations made prior to March 14, 1997 should be made with the San Diego Housing Service and will be refunded in full. The San Diego Housing Service will issue the refund.
- From March 14 until 14 days before your scheduled arrival, all changes and cancellations must be made with the hotel directly. The hotel will refund the deposit, less a $15.00 cancellation processing fee.
- Any cancellation within 14 days of arrival date will forfeit the full deposit amount.

Instructions
Call the San Diego Housing Service, Monday through Friday, from 9:00 a.m. to 8:00 p.m. Eastern Time. The hotels will not accept reservations directly.

- Registrants in the United States and Canada
  Telephone Number 800-613-4762
  FAX Number 800-944-0010
- International Registrants
  Telephone Number 214-702-1030
  FAX Number 214-702-1042

Tell the San Diego Housing Service operator you are calling for AACR Annual Meeting hotel reservations. Please have the following information ready:

1. Hotel preference (1st, 2nd, and 3rd choices)
2. Arrival and departure dates and times (indicate arrival after 6:00 p.m.)
3. Number of rooms required
4. Accommodations desired
   Single
   Double (1 bed, 2 people)
   Twin (2 beds, 2 people)
   Triple
   Quad (2 double beds, 4 people)
   Suite
5. Number of people in party
6. Credit card name, account number, name as it appears on card, and expiration date
7. Names of all occupants of room(s)
8. Mailing address
9. Daytime telephone number with area code
10. FAX number with area code
11. Special requests (disability, smoking/nonsmoking, king-size bed, etc.)

HOTEL DESCRIPTIONS
(Descriptions Provided by Individual Hotels)

1. SAN DIEGO MARRIOTT HOTEL AND MARINA
(Headquarters)
The waterfront San Diego Marriott Hotel and Marina offers deluxe accommodations, award-winning dining and entertainment, an abundance of recreational facilities and proximity to popular visitor attractions.
333 West Harbor Drive • (619) 234-1500
Rates: Single/Double (City) $166 (Bay) $186

2. BEST WESTERN - BAYSIDE INN
The Best Western - Bayside Inn is situated downtown, by the bay. The headquarters hotel and the convention center are just blocks away. Rates include parking and airport shuttle.
555 West Ash Street • (619) 233-7500
Rates: Single $75 Double $85

3. BRISTOL COURT HOTEL
The essence of European elegance: Belgian chandeliers, Italian marble, antique armoires, gold leaf detailing and artistic tapestry. Close to Horton Plaza, Gaslamp District, and the Convention Center.
1055 First Avenue • (619) 232-6141
Rates: Single/Double $119

4. CLARION HOTEL BAY VIEW
Located only 2 short walking blocks from the San Diego Convention Center and adjacent to the famous Gaslamp Quarter. All rooms afford spectacular views of the San Diego Bay or City Skyline. Rooms offer irons and full size boards, blow dryers, in-room safes, and voice mail.
660 K Street • (619) 696-0234
Rates: Single $103 Double $113

5. DOUBLETREE HOTEL AT HORTON PLAZA
This lovely hotel is adjacent to Horton Plaza Shopping Center. Doubletree’s famous freshly baked chocolate chip cookies offer guests a warm welcome the night they arrive.
910 Broadway Circle • (619) 239-2200
Rates: Single $130 Double $140

6. EMBASSY SUITES HOTEL
In addition to gracious service, Embassy Suites San Diego Bay provides each guest with a full suite, complimentary daily breakfast, evening cocktails, and airport shuttle.
601 Pacific Highway • (619) 239-2400
Rates: Single $147 Double $157

7. HOLIDAY INN HARBOR VIEW
You can't get any closer to all San Diego has to offer. Holiday Inn Harbor View's 203 spacious guest rooms, put you at the hub of the city's famous attractions and dynamic business center. At the top in dining and relaxation, Sunsets America Bar and Grill, offers panoramic views of beautiful downtown San Diego.
1617 First Avenue • (619) 239-6171
Rates: Single $100 Double $110

8. HOLIDAY INN ON THE BAY
The best location in "America's finest city." The 600 room high-rise hotel lies at the foot of downtown on the waterfront. Guest rooms overlook sparkling San Diego Bay or City lights. Close to San Diego International Airport, Zoo and Sea World, Restaurants, Maritime Museum, harbor excursions, and Seaport Village in walking distance.
1355 North Harbor Drive • (619) 232-3861
Rates: Single $126 Double $136

9. THE HORTON GRAND HOTEL
A 132 room property originally built in 1886 and restored in 1986. Three blocks from the Convention Center in the heart of historic Gaslamp Quarter.
311 Island Avenue • (619) 544-1886
Rates: Single $105 Double $125

10. HYATT REGENCY SAN DIEGO
The West Coast's newest four star hotel opened in 1992, offering 875 bay-view rooms situated at water's edge on San Diego Bay. The Hyatt Regency San Diego boasts two restaurants, two lounges, pool, health club, spa and four tennis courts, all offering spectacular views of the harbor.
One Market Place • (619) 232-1234
Rates: Single $173 Double $193

11. RADISSON HOTEL HARBOR VIEW
The Radisson Harbor View is located in downtown, blocks from the bay and minutes from the airport and local attractions. Spacious accommodations offer city and harbor views with balconies.
1646 Front Street • (619) 239-6800
Rates: Single/Double $94

12. SAN DIEGO MARRIOTT SUITES
The San Diego Marriott Suites has 204 spacious suites, each featuring two distinct sleeping areas including a spacious sitting room, king-sized bedroom, and marbled bathroom with separate tub and shower.
701 A Street • (619) 696-9800
Rates: Single $135 Double $145

13. U.S. GRANT HOTEL
The U.S. Grant Hotel, a historic Grand Heritage Hotel, located in downtown San Diego is at the heart of the city. Four star, four diamond property mere steps from San Diego's theater and gaslamp districts and hundreds of retail, restaurant, and recreation options of downtown and the San Diego Bay.
326 Broadway • (619) 232-3121
Rates: Single $135 Double $155

14. THE WESTGATE HOTEL
Elegance, incomparable service, and a convenient downtown location combine to make The Westgate one of San Diego's leading hotels. 24 hour room service, fitness center.
1055 Second Avenue • (619) 238-1818
Rates: Single $125 Double $135

15. THE WYNDHAM EMERALD PLAZA HOTEL
The Wyndham Emerald Plaza offers 436 contemporary rooms complete with coffee makers, mini bars, ironing boards and hair dryers. The hotel offers two restaurants with a dramatic 100 foot lobby lounge and bar, full service health club, heated outdoor pool, sundek, and business center. The hotel also provides complimentary airport transportation and is within seven blocks of the Convention Center.
400 West Broadway • (619) 239-4500
Rates: Single/Double $135
**Guidelines for Submitting Disks to American Association for Cancer Research Publications**

The word processing packages that we prefer are as follows:

<table>
<thead>
<tr>
<th>MacWrite</th>
<th>WordPerfect (DOS, Windows, and Macintosh)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Microsoft Word (DOS, Windows, and Macintosh)</td>
<td>XyWrite (DOS and Windows)</td>
</tr>
</tbody>
</table>

Also acceptable:

<table>
<thead>
<tr>
<th>Ability</th>
<th>Mass 11</th>
<th>SoloWriter</th>
</tr>
</thead>
<tbody>
<tr>
<td>AmiPro</td>
<td>MS Windows Write</td>
<td>Sprint</td>
</tr>
<tr>
<td>(A_w) S-TeX</td>
<td>MS Works</td>
<td>Stx</td>
</tr>
<tr>
<td>Appleworks</td>
<td>MS Works WP Mac</td>
<td>SunWrite</td>
</tr>
<tr>
<td>ArborTeX</td>
<td>Multimate</td>
<td>Symphony</td>
</tr>
<tr>
<td>ClarisWorks WP</td>
<td>Multimate Advantage</td>
<td>TEX</td>
</tr>
<tr>
<td>CPT 8000</td>
<td>Nisia</td>
<td>TeX78</td>

Software packages that we are unable to translate:

<table>
<thead>
<tr>
<th>FrameMaker</th>
<th>Ready, Set, Go</th>
</tr>
</thead>
<tbody>
<tr>
<td>PageMaker</td>
<td>Scientific Writer</td>
</tr>
</tbody>
</table>

Disks produced on IBM or IBM-compatible computers are preferred, but those produced on some Apple or Wang computers can also be converted. Because of the file structures and internal coding, we cannot accept disks created on desktop publishing systems or those created on proprietary typesetting systems. We also cannot guarantee that all special characters can be translated. Tabular and mathematical material, such as equations, will not be captured from the disk but will be rekeyed.

To expedite work and for your own security, we do require that you submit a hard copy printout of the disk file. The tables and equations will be keyed from this hard copy. We also need to know the name of the file to be converted, the type of hardware (e.g., IBM PC) on which the files were created, the operating system (e.g., DOS 3.3), and the version of the software (e.g., WordPerfect 5.1) used to create the file.

PLEASE FILL OUT ALL INFORMATION ON REVERSE SIDE AND SUBMIT THIS FORM WITH YOUR DISK. DISKS WILL NOT BE PROCESSED WITHOUT THIS INFORMATION.
DISK SUBMISSION FORM

AACR journals are now using personal computers to copyedit manuscripts accepted for publication. When submitting a revised manuscript, authors are encouraged to submit an electronic disk of the paper along with the required four hard copy printouts. Disks will ultimately be returned to the authors.

See reverse for the word processing packages that can be accepted.

File preparation

Please be sure that the file you send is the most recent version of the manuscript and that it matches the most recently submitted printed copy. The file should contain all the parts of the manuscript in one file. Mathematical and tabular material, however, will be processed in the traditional manner and may be excluded from the disk file.

Note: AACR does not assume responsibility for errors in conversion of customized software, newly released software, or special characters.

Please label the outside of the disk with the journal name, the first author’s name, a partial title of the manuscript, and the name of the computer file used to access the manuscript on disk. To process your disk efficiently, we need the following information. Please be sure to provide ALL the information.

Name used to access paper on disk: 
Name of computer used (e.g., IBM/PS2): 
Operating system and version (e.g., DOS 3.3): 
Word processing program and version (e.g., WordPerfect 5.0): 
[See reverse for acceptable programs.]

Manuscript number: 
First author: 
Corresponding author (if different from first author): 
Telephone/FAX numbers: 

This form (both sides) may be reproduced.
AMERICAN ASSOCIATION FOR CANCER RESEARCH
SCIENTIFIC CONFERENCES

JANUARY 10-14, 1997
Basic and Clinical Aspects of Lymphoma
Joint Meeting with the American Society of Clinical Oncology
Chairpersons: Joseph R. Bertino, New York, NY; James O. Armitage, Omaha, NE
Stouffer Renaissance Esmeralda Resort, Indian Wells (Palm Springs), CA

JANUARY 17-21, 1997
Disrupted Transcription Factors in Cancer
Chairpersons: Peter K. Vogt, La Jolla, CA; Frank J. Rauscher III, Philadelphia, PA
Hotel Del Coronado, San Diego, CA

FEBRUARY 13-16, 1997
Growth Factors, Signaling, and Cancer
Joint Meeting with Lorne Cancer Conference
Chairpersons: Antony Burgess, Parkville, Victoria, Australia; Robert J. Coffey, Nashville, TN;
Ashley R. Dunn, Parkville, Victoria, Australia; Webster K. Cavenee, La Jolla, CA
Erskine House, Lorne, Victoria, Australia

FEBRUARY 23-28, 1997
Cell Signaling and Cancer Treatment
In Collaboration with British Association for Cancer Research, Austrian Cancer Society, German Cancer Society, and Austrian Biochemical Society
Chairpersons: Hans H. Grunicke, Innsbruck, Austria; Garth Powis, Tucson, AZ; Paul Workman, Macclesfield, England
Interalpen-Hotel Tyrol, Teifls-Buchen, Austria

MARCH 7-12, 1997
Basic and Clinical Aspects of Breast Cancer
Mary-Claire King, Seattle, WA
Keystone Resort, Keystone, CO

APRIL 12-16, 1997
88th Annual Meeting
Chairperson: Frederick P. Li, Boston, MA
Co-Chairpersons: Clara Derber Bloomfield, Buffalo, NY; Stephen H. Friend, Seattle, WA
San Diego Convention Center, San Diego, CA
Abstract Deadline: November 12, 1996

JUNE 7-12, 1997
Cancer of the Central Nervous System
Conference with Neurosurgery Joint Section on Tumors
Chairpersons: Peter McL. Black, Boston, MA;
Webster K. Cavenee, La Jolla, CA
Loew's Coronado Bay Resort, San Diego, CA

SEPTEMBER 9-13, 1997
Molecular Genetics of Cancer
Conference with the European Association for Cancer Research
Chairpersons: Eric J. Stanbridge, Irvine, CA;
Walter Bodmer, Oxford, England
Hertford College, Oxford, England

SEPTEMBER 26-30, 1997
Tumor Suppressor Genes
Chairpersons: Stephen H. Friend, Seattle, WA;
One Additional Chairperson to Be Announced
Victoria Conference Centre, Victoria, BC, Canada

OCTOBER 17-21, 1997
Gene Regulation in Differentiation and Development
Chairpersons: Robert Eisenman, Seattle, WA;
Elaine V. Fuchs, Chicago, IL
The Sagamore Resort, Bolton Landing (Lake George), NY

DECEMBER 1997
Epigenetics of Cancer
Chairperson: Peter A. Jones, Los Angeles, CA
Location in Puerto Rico to be Announced

AACR members will receive brochures on the above conferences as soon as they are available. Nonmembers should call or write:
American Association for Cancer Research
Public Ledger Building, Suite 816
150 South Independence Mall West
Philadelphia, PA 19106-3483
215-440-9300 • 215-440-9313 (FAX)
E-Mail: aacr@aol.com

For regular updates to this list visit the AACR's Website, http://www.aacr.org
AMERICAN ASSOCIATION FOR CANCER RESEARCH
88th Annual Meeting

Frederick P. Li, Program Committee Chairperson
Clara Derber Bloomfield, Program Committee Co-Chairperson
Stephen H. Friend, Program Committee Co-Chairperson

San Diego Convention Center, San Diego, California
April 12-16, 1997

Titles of Major Session
(Names of confirmed session organizers are in parentheses)

PLENARY SESSION
Genetic Predisposition to Cancer (Louise C. Strong)

SYMPOSIA
Genes, Cell Proliferation, and Antineoplastic Drugs (George F. Vande Woude)
Diagnostic, Prognostic, and Therapeutic Aspects of Tumor Suppressor Genes (David Sidransky)
Cell Cycle Regulation
Breast Cancer Genes (Barbara L. Weber)
Metastasis, Adhesion, and Angiogenesis: Mechanisms and Therapeutic Strategies (Marilyn M. Cornwell and Elise C. Kohn)
Novel Clinical Trials Based on Genetics and Molecular Therapeutics (Stephen H. Friend)
Apoptosis and Cancer Chemotherapy (Michael B. Kastan)
Identification and Management of Genetic-High-Risk Individuals (Albert de la Chapelle)
Demystifying the Role of Cytokines in Tumor Immunobiology: Status and Future Utility (Michael A. Caligiuri)
Telomerase and Clinical Applications (Titia de Lange)
Acute Myelocytic Leukemia (Clara Derber Bloomfield)
Prostate Cancer (Donald S. Coffey)
Colon Cancer (Margaret A. Tempero)
Signaling Pathways for Novel Therapeutics (Anthony J. Pawson)
Animal Models for Functional Analysis of Tumor Suppressor Genes (Terry A. Van Dyke)
New Techniques for Molecular Diagnostics (Eric S. Lander)
Mechanisms of Cellular Senescence (J. Carl Barrett)
Damage Response Pathways (Philip C. Hanawalt)
Gene Interactions with the Environment/Carcinogenesis (Allan Balmain)
Epidemiology and Pathogenesis of Secondary Cancers (Frederick P. Li)

CONTROVERSY SESSIONS
What Are the Appropriate Therapeutic Uses of Hematopoietic Growth Factors? (Peter J. Quesenberry)
Estrogen Replacement Therapy: Beneficial or Harmful? What is the Value of Mammography in Young and Genetically Susceptible Women? Is the Time Right for Cancer Chemoprevention? (Edward Bresnick)
Gene Patents: Help or Hindrance to Conquering Cancer? What is the Role of Prophylactic Surgery in Breast and Ovarian Cancer? (Samuel A. Wells, Jr.)
What Are the Appropriate Guidelines for the Use of Archived Human Tissue?

How Robust Are Antisense/Third Strand Techniques for Gene Disruption?

“MEET-THE-EXPERT” SUNRISE SESSIONS
Angiogenesis
Gene Therapy (Jack A. Roth)
Strategies for Drug Development
Advances in Our Molecular Understanding of Lymphoproliferative Disease (A. Thomas Look)
FHIT Gene (Kay Huebner)
Cancer Vaccines (David P. Carbone)
Lung Cancer
Costimulatory Molecules in Tumor Immunity
New Approaches to Overcoming Multidrug Resistance (Alan F. List)
Advances in Oncologic Imaging (Michael J. Welch)
Retinoids and Cancer Prevention (Waan Ki Hong)
Mechanisms of Regulation of p53 Function (Guillermina Lozano)
Cell Cycle Control of Genetic Stability (Geoffrey Wahl)
Farnesyl Transferase Inhibitors (Allen I. Oliff)
Bioinformatics/Genomics
DNA Methylation in Cancer (Stephen B. Baylin)
Chemoprevention in Transgenic Animals (James M. Phang)
Advances in Stem Cell Transplantation
Psychosocial Issues in Cancer
Advances in the Management of AIDS-related Malignancies (Ellen G. Feigal)
Recent Developments in Our Understanding of Minimal Residual Disease (John G. Gribben)
Ovarian Cancer Update (Robert C. Bast, Jr.)
The Biological Basis of the New International Classification of Lymphoma
Recent Developments in Radiotherapy
Colon Cancer Genes
Extracellular Connections
Barrett’s Esophageal Cancer and Tumor Progression Models (Brian J. Reid)
H. Pylori
Transcriptional Models and Drug Discovery

METHODS WORKSHOPS AND EDUCATIONAL SESSIONS
To be announced

Abstract Deadline: November 12, 1996
