Accelerated mailing of all AACR journals to AACR members in Japan is supported by a generous grant from the Banyu Pharmaceutical Company, Tsukuba, Japan. One-year subscriptions to Clinical Cancer Research are available to third-year hematology/oncology fellows in the United States through the generous support of Rhône-Poulenc Rorer Oncology.
Clinical Cancer Research is published monthly, one volume per year, by the American Association for Cancer Research, Inc. (AACR). Except for members of the AACR, all subscriptions are payable in advance to AACR, Subscription Office, P.O. Box 11806, Birmingham, AL 35202 (Phone: 800-633-4991 or 205-995-3507; Fax: 205-995-1588), to which all business communications, remittances (in United States currency or its equivalent), and subscription orders should be sent. In Japan, send orders and inquiries to (sole agent): USA CO Corporation, Tsukumi Bldg., 13-12, Shimbashi 1-chome, Minato-ku, Tokyo 105, Japan. Tel: (03) 520-6471. Individuals who are not AACR members may subscribe to Volume 3 (1997) of Clinical Cancer Research at the rate of $315 U.S./$415 foreign. Clinical Cancer Research is only available to institutions as a combined subscription with Cancer Research. The combined 1997 institutional subscription price of $565 U.S./$565 foreign includes $370 U.S./$520 foreign for a subscription to Clinical Cancer Research. (Foreign subscription cost includes cost of surface mail; for faster delivery, expedited mailing rates are available by contacting the AACR Publications Department.) Canadian subscribers should add 7% GST. Changes of address notification should be sent 60 days in advance and include both old and new addresses. Membership subscribers should send address changes to: AACR Membership Services, Public Ledger Building, Suite 826, 150 South Independence Mall West, Philadelphia, PA 19106-3483. Nonmember subscribers should send changes of address to: AACR Subscription Office, P.O. Box 11806, Birmingham, AL 35202. Copies of the journal which are undeliverable because of address changes will be destroyed.
