Suppl. Fig. 8

**A** Gastric Hs746T

**B** Gastric Hs746T

**C** Glioblastoma U87MG

**D** Glioblastoma U87MG

The graphs illustrate the changes in tumor volume over time for different treatments. Each graph shows the mean tumor volume (in mm³) with error bars (±SEM) for various treatment periods. The treatments are indicated by different symbols and line styles, with the vehicle serving as a control. The treatment periods are highlighted by shaded areas.
