

Editor's Note: Inhibition of Platelet-derived Growth Factor-mediated Proliferation of Osteosarcoma Cells by the Novel Tyrosine Kinase Inhibitor STI571

Eric C. McGary, Kristy Weber, Lisa Mills, Michelle Doucet, Valerie Lewis, Dina Chelouche Lev, Isaiah J. Fidler, and Menashe Bar-Eli

The editors are publishing this note to alert readers to a concern about this article (1): Figure 2 is missing a splice line in the lanes between PDGF-BB 50 and 10, and the original data are not available for review.
